

Hotel for sale. TANZANIA. ref. tzh12

This Hotel is synonymous with spectacular, contemporary architecture, sophisticated extensive interiors - and the largest most advanced conference facilities in Arusha, Northern Tanzania, is our trademark. Snow Crest is approximately 10 minutes (7Km) drive from the Arusha city and 30 minutes (45Km) from Kilimanjaro International Airport (JRO).

Our Hotel is spacious and welcoming with all the latest facilities, complimented by professionally run services. Our extensive grounds are designed to suit both the business traveller and tourist alike, looking for comfort, good service, quality and relaxation - in the knowledge that everything is taken care of by professional, friendly staff. The hotel has a splendid view of lush banana plantations with a whispering breeze that gently reaches us from the heights of nearby Kilimanjaro. Our locality makes us the perfect stepping-stone into the famous National Parks of Tanzania's Northern circuit - your dream safari destination. We are as futuristic as our design is modern. In addition to our advanced and large conference facilities. Our rock garden and cascading waterfall under a blue skyline is the highlight of our light and spacious interior. Our rooms are stylish, with all modern amenities combined with a warm and relaxing ambiance. The restaurant and bar facilities are extensive and cleverly designed in such a way that guests and friends can chose a private corner or join in the bigger picture. Recline and relax in our reading lounge, or enjoy the sunrays from the veranda overlooking our sloped, turquoise blue swimming pool with extensive sun deck. All our public interiors encompass warmth, exclusivity and serenity - specifically designed to maximize your enjoyment and comfort.
